

# Calibrated Eyeball Certificate

NOVELTY ONLY - NOT A CALIBRATION RECORD OR QUALIFICATION

Presented to the unusually confident observer

**For accuracy measured entirely in confidence.**

## DEMONSTRATED SPECIALTIES

- ☐ Straight from the parking lot. ☐ Level if the building leans. ☐ Dead center. Do not check.

## PREFERRED UNIT OF MEASUREMENT

- ☐ One certified smidge. ☐ One calibrated shitload. ☐ Somewhere in that zip code.

Date of impressive confidence

Witness who should know better

## VALIDITY

**Expires immediately upon contact with a tape measure.**

Instrument used: ego. For actual measurements, use a suitable measuring tool.
