

"While You're Here..." Scope Expansion Request

A small favor, estimated by the person not doing it.

Original favor

Person volunteering your afternoon

01 / HOW THE FAVOR MULTIPLIED

- | | |
|--|---|
| ☐ "You're already here." So is the ceiling. | ☐ "Quick favor." From a man with no tools. |
| ☐ "Do both sides." Generous with my time. | ☐ "One more thing." Here comes the sequel. |
| ☐ "I assumed." The birthplace of bullshit. | ☐ "While it's apart." Why not add a pool? |

02 / UNADVERTISED ADDITIONS

Additional work casually mentioned

Parts nobody ordered

Time nobody allowed

03 / REQUESTED REALITY ADJUSTMENT

- | | |
|--|---|
| ☐ Define "done" before adding a garage. | ☐ Parts first. Inspirational speeches later. |
| ☐ One decision from the entire brain trust. | ☐ Let me finish the first fucking job. |

DEPARTMENT OF EXPANDING FAVORS

Same tools. Somehow I live here now.

Novelty only. Actual scope, cost and schedule changes need real approval.
