

Standing-Around Committee Minutes

Six consultants. One wrench. Zero volunteers.

Task currently attracting an audience

Meeting start / alleged finish

01 / ATTENDANCE AND CONTRIBUTIONS

☐ Pointed. Counted that as manual labor.

☐ Nodded like the shop's licensed genius.

☐ Explained how Dave would have done it.

☐ Offered advice from outside splash range.

☐ Found a phone call when handed a tool.

☐ Asked if we tried fixing it. No shit.

Person doing the work

Number of people explaining it

02 / FINDINGS OF THE COMMITTEE

☐ The worker is outnumbered, as usual.

☐ More supervision should speed this up.

☐ Dave remains unavailable for comment.

☐ Actual work may frighten the committee.

Useful action agreed upon, assuming anyone volunteers

ADJOURNMENT

Motion carried. Not a damn thing else moved.

Next meeting: the moment someone opens a toolbox.
